?WHAT IS BLACKSPACE

Blackspace is a digital makerspace based out of Durham and Chapel Hill, North Carolina. We offer Black and Brown youth a breathing space to manifest their dreams by any medium necessary.

WHAT IS THE #FUNDAFROFUTURISM CAMPAIGN?

The #FundAfroFuturism campaign is a sustainer-based fundraising initiative via Patreon designed to help support Blackspace for the foreseeable future. Blackspace is powered by a robust volunteer community, filled with fellow Afrofuturists, that engage youth in training, mentorship and collaboration. The goal is to ensure that our future leaders have a seat at the table in the innovation economy, and are rooted in the daily practice of love, liberation, self-determination, confidence, and excellence. We need your support to fortify, scale, and provide more dope programs that our students want and our community needs!

WHERE DOES THE CAMPAIGN SUPPORT GO?

The #FundAfroFuturism campaign is meant to sustain and expand programming that community members have been hosting on a volunteer basis, such as Movies and Cornbread and Open Studio in Chapel Hill, Blackspace Poetry Night (part of Durham's "BeConnected" series), and the DURM Cypher in downtown Durham. We'd like to continue to provide specialized wokeshops like Conscious Coding, Street Griot, Beat Making and Digital Storytelling.

THIS SOUNDS AMAZING! HOW CAN I GET INVOLVED?

Involve your workplace or community organization! Do you do gift exchanges at your job or community organization? Do you choose an organization to donate to for the holiday season? Choose the #FundAfroFuturism campaign! Propose foregoing the typical gift exchange this year and ask for 25% of your work place, department or community to become patrons or set a pledge goal! Compete between departments! Get your places of worship involved! We know that some places of worship ask for tithes. Would your congregation be willing donate a tithe/gift to Blackspace? Speak with the leaders of your religions/spiritual community to see if you could set up a table before and after service for the #FundAfroFuturism campaign!

Become a patron yourself! No amount is too small! Becoming a sustainer at \$5 means skipping a coffee at Starbucks, once a month. The 'Ujamaa Shield' patreon, at \$10/month, is the price of one movie ticket. An 'Afronaut' patreon, at \$25/mo, means not eating out JUST once a month. We hope you can find something to give up in order to give the students of Blackspace the resource of our programming :)

IS THE DONATION TAX-DEDUCTIBLE?

Yes, but there's a caveat. If you pledge \$5/month for 12 months, your total donation over the year will be \$60. You will be able to write off the total amount you've donated at the time you file your taxes. This applies to patrons at the \$5, \$10 and \$25 level. For patrons that contribute at the \$100 level or above, you will receive a swag bag and/or service from Blackspace. The value of the items you receive must be deducted from your taxable donation. For example, if the patron pays \$1200 @ the \$100 level over the course of a year, the value of the swag bag you'd receive, say \$75, must be deducted to the total deductible amount, leaving you with \$1125 total amount that can be written off.

Additionally, The African American Dance Ensemble (AADE), based in Durham, is our fiscal sponsor. When you request a letter for your tax write-off, it will be from the AADE, not Blackspace, LLC.

HOW DO I DONATE TO THE CAMPAIGN?

The link to our patreon is here--->

<https://www.patreon.com/fundafrofuturism>

We are asking for patrons. This is different from one-time donors. Those that contribute to the campaign will become a sustainer. This means once a month, the amount of your choice will be drafted from your account you connect to Patreon. Just like a streaming service like Hulu takes draws money from your account so you may access television shows when you like, Blackspace would receive the amount of your choice and use it to continue to provide programming for Black and Brown youth within the Triangle and the community at large.

We are asking for \$5 as a starting donation, Spaceship tier, but no amount is too small! Rewards are given once you've reached a tier. For example, if you decide to donate \$3/month, you will receive a thank you from us at Blackspace but you will not be eligible to enter the raffle to win a mini-swig bag that comes with a 'Spaceship' tier contribution. If you decide to donate \$20/month, you will qualify for the rewards for the 'Ujamaa Shield' tier but not the 'Afronaut' tier.

SUSTAINER BREAKDOWN

Tier	Monthly Contribution	Yearly Contribution
Spaceship	\$5	\$60
Ujamaa Shield	\$10	\$120
Afronaut	\$25	\$300
Third Eye	\$100	\$1200
Earthseed	\$500	\$6000
The Most High	\$1000	\$12000

DO I RECIEVE ANYTHING FOR MY DONATION?

Do I receive anything else for my donation?

As briefly described in the section above, Blackspace swag bags are given out in two ways. For sustainers at the \$25 level or below, once we hit 30 sustainers across these 3 tiers, we will hold a a raffle once a month to win some Blackspace paraphernalia. Winners must deduct the value of your swag bag if you plan to write off your donation for your taxes. For sustainers at the \$100 or above, sustainers will receive their swag bag within 45 days of their first contribution is processed.

Payments are processed on or near the 1st of each month. For example, if you become a sustainer on January 2nd, your contribution will be processed on or around February 1st. You should expect to receive your Blackspace swag bag within 45 days.
